**Lottery Win – Fun Day
Summer Ball – April Class changes**

We won the lottery!!!!

Well that's what it would feel like if everyone read the news letters, so hopefully you will continue reading all of this one. For most this is the only way we can get the information across to you, we do tell all the children in class everything that is going on and what is expected of them, however by the time they have got their coats on and heading to the door they have forgot. We have had parents asking why they don't get to know all the info? that is all the info that is in this news letter!! The only way we can make sure you get all relevant info **IS IN THIS MONTHLY NEWS LETTER**. So please take two minutes your time to check all the grammar & spelling mistakes & Dale will happily listen to you correct him.
As long as you have read the entire news letter.

Every Xmas we have our Awards night & Family party, we also have an adult Black Belt & Instructors weekend, We have now been asked why we don't do anything in the summer months especially as there are not many comps. So if you or your children train with us, then you are invited, the tickets are on a first come basis & are limited, the dress code is simple smart & casual, the ticket price includes entry and buffet, there is a Bar & live music from

Face Book

Like it or hate it, it's becoming the easiest & fastest way to communicate & get instant up to date info on class changes etc.

It's also the cheapest & best form of advertising, we had more new students via FB last year than any other advertising, and this was mainly due to new students being able to get real recommendations from you the student & parent. So all we ask is that if you see an advert on any selling or parent discussion sites etc, you leave an honest review for us.

If you're not on it yet just like our site, also feel free to rate it and leave a review.
