**Black Belt Results – Dec Grading
Inter-Club & Children in Need – New Sponsor**

Outstanding Results

A **huge** well done to all those that travelled to Bristol for the recent Black Belt Grading, all our Students passed, however unfortunately Mr Pollard did not make his promotion to 5th Dan this time, he made some silly mistakes, the ones he tells you not to make... But in his words failure is knowledge, he is proud of the fact that it proves no matter who you are in the TAGB we are all the same & progress together. He will knuckle down work harder come back stronger and go back in April.

All students gave an outstanding performance & made us proud as always. Over 600 students went through their paces over 3 days, unfortunately not all made the promotions, but that's life, its all down to the performance and battling nerves on the day. No club in this area has as many high grades with such a wealth of experience as we are proud to have, so thank you all for your help and showing that working as a team and a family we all pull together and get through all the challenges in front of us. This club and all its success will always be down to you as students & the help and encouragement you give each other.

Inter-Club Competition & Children in Need & New Sponsor for 2020

Inter-Club

This comp is open to every student of all ages and grades, we have categories to suit you all, from the nervous beginner to experienced world champions. The idea of our inter club is to give new students & new competitors an insight into the world of competing; it also allows parents to understand how they work, before travelling miles to find out. Your involvement as a student is of the utmost importance on all levels. So please get your forms back this week. Officials we need you as well. We will be holding a couple of 'Children in Need' categories this time, a speed kicking event & team events all monies raised for both events will go to children in need, so no medals but you will get a Certificate.

Sponsor 2020

We are very pleased to be able to tell you that we have a sponsor for 2020, Taylors Tourers from Stamford. Mr Scott Taylor will be at the Competition to present the club with a little surprise & we look forward to his support in 2020. More on this in Dec News.
