Senior & Junior welfare officers required

We are always looking at ways to improve the care to all our students young & old. We are therefore looking for jnr and adult assistant welfare officers. Your roll will be allowing your own age group to approach you with any issues they may have, in or out of class. A listening ear and a friendly face is all that's required, giving students the chance to talk through any problems or concerns they may have. Some may feel more comfy talking to you before they come to the Instructor. If you think this is something you would like to take on then please apply in writing to Annabel & Dale, stating why you would like the roll & what you think you have to offer. Juniors & adults of any grade between 8-16yrs & Adults 17yrs & above may apply. Successful applicants will then have a meeting with Mr Dale Pollard our NSPCC qualified welfare officer, who will go through everything required. You may also ask him prior to application for details if you interested.

Social Media & Face Book

Our research has shown that both FB & local selling and forum sites are fast becoming the best way to reach the public.

Our new enquiries for classes are now mainly via this form of **FREE** advertising.

This in turn will help us to keep the cost of monthly subs down to you, we always strive to stay competitive cost wise with other Martial Art clubs in the area & do our best not to put up the subs every year. Saving on very expensive adverts, means we can pass the savings on to you.

So any time you see an advert on any media site, please leave a good comment for prospective new students to read & help them make the right choice for them or their children to come and join our great Taekwondo family.
