Dropping off & picking up your Children

Parents could we please remind you to make sure your child is aware NOT to go outside the hall until you are there to pick them up. Also please do not drop off your child in the car park & let them go in on there own, sometimes Instructors get delayed between classes & are not in the hall.

We are aware that in winter time you get delayed in traffic etc, however if you don't pick your children up on time the Instructor may be late for the next class.

Stamford Class, Next Comp & getting ready for the World Champs in 2018

As from Saturday 20th Jan, the Stamford class will be from 11.30am – 1pm All those wishing to improve your stamina & sparring for the competitions ahead, then we advice you attend this class, the class will be split in two, one end of the hall will be dedicated to sparring, stamina & fitness, the other end will be technical covering all normal Grading & patterns syllabus. So something for everyone of all ages and Grades, any Instructors wishing to come along and help out that would be gratefully appreciated. We will still cover all aspects of training in every other class, however not all classes will have the right mix of students to allow you the best sparring partner for your division.

Anyone wishing to attend the **WORLD CHAMPS** in July, you must have competed in at least two other comps prior to the World Champs, also Annabel will be taking some students squad training, these will be chosen from the Saturday class.

**Price Rise - Fun days
Face Book**

Price Increase & Saving Money

Gentle reminder as from Jan 1st all subs went up by £2 per person per month, you still only pay for the eldest two in a family. **YOU** have to change your standing order as we have no access to your bank account, a late payment charge will apply if not changed by Feb.

All orders for equipment must be paid for when placing your order

Face Book

Like it or hate it, it's becoming the easiest & fastest way to communicate & get instant up to date info on class changes etc.

It's also the best form of advertising, we had more new students via FB last year than any other advertising, and this was mainly due to new students being able to get real recommendations from you the student & parent.

So all we ask is that if you see an advert on any selling or parent discussion sites etc, please leave an honest review for us.

If you're not on it yet just like our site, also feel free to rate it and leave a review.
