Change of Venue for future Black Belt Gradings

As most of you are now aware, the Black Belt Gradings will no longer be held in Bristol at the Academy. After long consideration & monitoring, it has been decided that the T.A.G.B. have finally outgrown the Academy.

This move to a new venue will see easier and more ample parking, you will have the option to actually stay over at the venue at a discounted room rate, in a very smart venue, hopefully there may be an area to warm up and practice before you Grade.

So as well as being more central to the UK this move is definitely the way forward for such a vastly growing organization.

As with every change there may be teething problems, but we feel sure everyone will work together and iron these out. So let's get behind the committee, wish them all the best and thank them for continuing to make our association the best it can be. All Blackbelts will be grading on Friday 24th April and all Blacktags on SUNDAY 26th April
