**World Champs
Dropping Off – Summer Times**

New World Champions

What a weekend that was!!! We are so proud of everyone that was there at the weekend, supporters, officials & most important the competitors, you were amazing. We are so pleased to have more new WORLD CHAMPIONS in the club, a full list of medal winners are out now. The standard was as to be expected at this level & the overseas competitors were definitely determined not to go home empty handed, but so were you! That's why we had such an outstanding amount of medals to bring home.

Hopefully you managed to see the TV coverage by both the BBC & ITV, you could clearly see some of our competitors and officials all working hard. The BBC have also mentioned they would like to do a longer feature at the British in November as a warm up to the commonwealth games to be held in Birmingham in 2020.

So still no need to slack off the training, we have big things ahead. We will be organizing a photo shoot as soon as possible & will let everyone know.

Thanks to the coaches that supported as many of you as they could & Chris Barltrop for doing his best to get everyone where they should be. You really are **TEAM MURCOTT**.

Dropping off & picking up your Children

Parents could we please remind you to make sure your child is aware NOT to go outside the hall until you are there to pick them up. Also please do not drop off your child in the car park & let them go in on there own, sometimes Instructors get delayed between classes & are not in the hall. Due to maintenance through the summer hols, some classes get moved or cancelled last minute, so always check.

We do our best to ensure your child's welfare, however we still have children told to go to the car park or walk home. Once your child leaves the building we have no way of knowing if you are there waiting, or what happens to them on the way home.
