Child Safety

Parents last year we had several incidents where children had been told to meet you outside or in the car park & some parents have been over 15 minutes late, these are primary school age children, so not teenagers, luckily either our selves or adult students have spotted the situation and stayed with them. We do appreciate as parents you have other siblings to taxi around etc, however if you are late picking your child up, the knock on effect can cause us a great deal of problems, as we also have a tight schedule to get to the next class.

So could we please remind you to make sure your child is aware NOT to go outside the hall until you are there to pick them up. Please do not drop off your child in the car park & let them go in on there own, sometimes Instructors get delayed between classes & are not in the hall. If you are late please call Annabel or Dale their numbers are on the bottom. Yes we have your number however many times it's a home number and you may be on the way with a mobile Number we haven't got.

Entering the halls

Please DO NOT enter the halls until the Instructor or senior adult Black Belt arrives, no one is insured to be in the hall until the Instructor is there.

Winter training ware Please

No T-shirts, Doboks only please, also juniors bring a coat to go home in.

Club T shirts may be worn at sparring stamina classes
